~~Geo. Fred. Cross, M.B.~~
MEDICAL OFFICER OF HEALTH.

~~The Towns,~~
DOWNHAM, NORFOLK.

25th July, 1944.

M.O.H. Report Downham U.D. 1943.

To, The Assistant Secretary,
Ministry of Health.

Dear Sir,

Scabies. Decrease in number of cases, but this complaint is not unduly prevalent in this area.

Tuberculosis. Slight decrease in number of cases notified.

Venereal Disease.

No increase.

Diphtheria Immunisation.

Percentage of children immunised at 31st, Dec. 1943 -

Under 5 years, 56 %.

5 - 15 years, 86 %.

No cases, of Diphtheria have been reported during the year.

Water Supply.

Downham Urban District is supplied by a constant piped supply from the Wisbech Water Works Coy., only 66 houses in this area are dependant on supply by wells. The water supply may be considered adequate.

DOWNHAM MARKET URBAN DISTRICT COUNCIL

Two Towns,
Downham, Norfolk.

Geo. Fred Crookall,
MEDICAL OFFICER OF HEALTH.

19

A. G. S. General Practice, 1945

The Assistant Secretary,
Ministry of Health.

Dear Sir,

Reference is made to your letter of 1st July 1945, in which you state that the number of cases of diphtheria in this area is not

excessive.

Yours faithfully,

No. 12/45

12/45

Percentage of cases of diphtheria in this area, 1945 -

Under 5 years, 0.2

5 - 15 years, 0.2

The cases of diphtheria have been reported during the year.

Yours faithfully,

Downham Urban District is supplied by a constant supply of water from the Downham Water Works, and the water supply is not interrupted in any way.

Yours faithfully,
A. G. S.

Downham U.D.C.
